

2019 Summer Camp Offerings

by Cowan Faculty

Every kid loves a good story!

Bluebonnet and 2x2 Book Club will delight children as they engage with the Texas Library Association's favorite titles. Join Cowan CALTs, Mrs. Vera & Ms. Weese, and Cowan Librarian, Ms. Graham in making books come alive. This activity-based book club focuses on celebrating the stories- characters, settings, themes and more — and taps into kids' natural instinct to share ideas with peers, to play, and create. Each day we'll read, produce, relate, think, talk, and snack! Even reluctant readers will be excited to attend each day turning stories into crafts, activities, and using technology to express themselves.

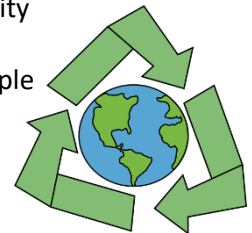

Let your imagination run wild!

Creative Writing Camp - Current 3rd-5th graders, come develop the craft of writing with others who enjoy expressing themselves and entertaining others with words! This camp will expose your child to different types of creative writing and provide them with opportunities to create their own works of art through words. (Susie Campbell, 4th grade teacher)

Become an eco-warrior and protect our planet!

Green S.T.E.A.M. Summer Camp will explore the concepts of ecology and sustainability with the goal of developing our children as environmental stewards. Our activities will integrate **Science, Technology, Engineering, Art, Math, and FUN** to learn about how people are affected by our environment as well as how we impact the environment locally and globally. (K-2nd camp led by Ms. Williams, 3rd grade teacher/3rd – 5th camp led by Shelby Bujan, 4th grade teacher)

Give Your Daughter the Tools

to be Confident, Successful & Empowered for Life!

Girls' Summer Camp is designed to assist young girls as they navigate their way through the challenges of their pre-teenage years. Girls have fun in a safe and supportive environment as they challenge each other and themselves to process the complex issues facing young girls today. (Michelle DeMarco, counselor)

Focus Activities Build: positive self-esteem, healthy relationships, strategies to deal with relational aggression (bullying), resiliency strategies

Support Activities Include: crafts, team building, journaling, relieving stress through the arts (music & art) & sand tray techniques

Interested in learning Spanish?

Join our Summer Spanish Club this summer!

Spanish Camp will deliver instruction in Spanish through an array of songs, games, dance, and arts & crafts. We will be using literature and hands-on activities to teach children about Hispanic traditions and their culture. Spanish camp offers parents a safe, loving, academic and trustworthy environment where children will learn Spanish in a fun way. As an immersion program, children learn to speak Spanish from a bilingual instructor the same way their native language was learned – naturally. Don't miss out on this wonderful opportunity! (Marta Reyes, bilingual teacher)
